INDEPENDENT REPRESENTATIVE MARKETING AGREEMENT

THIS AGREEMENT made this _____ day of _____, between International Trade Finance, LLC. (“ITF”) and _____ (“Representative”).

TERM: This agreement will become effective on the date stated above and shall have a term ending on the earlier of twelve (12) months from the date stated above or at any time by mutual agreement between Representative and ITF. All commissions for accounts funded prior to termination will continue to be honored. Terminated agreements will be eligible for renewal.

SERVICES TO BE PERFORMED: Representative agrees to solicit new prospective commercial clients for ITF, to assist ITF in obtaining completed document packages for ITF’s evaluation and possible acceptance in accordance with ITF’s instructions to Representative. Representative is responsible for identifying prospects for ITF, gathering pertinent and requisite documentation or information in order to prepare any prospective client’s accounts for ITF’s evaluation and potential funding. Representative will determine the amount of time to be devoted to the performance of the above-described services. Representative will not use the name of International Trade Finance, LLC. for advertising purposes without the express written consent from ITF.

COMPENSATION: In consideration for the services to be performed by Representative, ITF agrees to pay fourteen percent (14%) of all net fees generated from any account provided by Representative to ITF and funded by ITF. For those accounts that the Representative only provides contact information and nothing else (i.e., name, address, and phone number), ITF will only pay ten percent (10%) of all net fees generated. This commission will be paid by ITF to Representative for the life of the account. This commission will be paid on the 10th day of the month for all transactions closed in the prior month.

INTERNET LEADS: Many Representatives have Web sites and the ability to allow prospects to apply online for our services. In the case where more than one Representative receives the same application and submits this application to ITF, the application arriving first will be the Representative that will be paid on this transaction should funding occur. The computer time stamp on the e-mail generated by ITF’s e-mail system will be the deciding factor.

OBLIGATION OF ITF: ITF agrees to comply with all reasonable requests of Representative and provide access to all documents and forms reasonably necessary to the performance of Representative’s duties under this Agreement.

MARKETING: International Trade Finance, LLC. may provide Representative with marketing materials. Any use of ITF’s marketing materials must be pre-approved and not altered whatsoever. This includes use of International Trade Finance, LLC. material and/or information on internet Web sites.

INDEMNITY: Each party agrees to waive all claims against the other Party(ies) with respect to any loss or damage sustained by that Party, its employees, or third parties as a result of its participation in the activities covered by this Agreement, except to the extent that such claim alleges gross negligence by a Party participating in this Agreement.
